Over the years I have worked with lots (and lots!) of suppliers. Please have a look through and if you'd like me to make any recommendations or introductions please let me know and I'm more than happy to oblige.

<u>Service</u>	<u>What they do and why you should consider it</u>
<input type="checkbox"/> Venues	<i>Having entertained at most venues in the area I can let you know what it's like from the guest's point of view!</i>
<input type="checkbox"/> Photographers	<i>I've worked with photographers that cover all areas and have different styles.</i>
<input type="checkbox"/> Videographers & Content Creators	<i>Just like photographers, videographers and content creators have their own styles and cover events in different ways.</i>
<input type="checkbox"/> Event Planners	<i>Not only do they help in the build-up to your wedding or party, they relieve the stress and ensures it runs smoothly leaving you to enjoy it</i>
<input type="checkbox"/> Florists	<i>From the brides bouquet to floral displays on the tables. And more!</i>
<input type="checkbox"/> Cake Makers	<i>Your cake needs to look good in the photos, it also needs to taste good.</i>
<input type="checkbox"/> Room Stylists	<i>Not only do they dress the room, but can give it a personal touch.</i>
<input type="checkbox"/> Caterers	<i>If your event is a small dinner-party at home, an Airbnb or venue that only provides a kitchen; yummy food is essential</i>
<input type="checkbox"/> DJs	<i>From the latest bangers, to belting out the classics to fill the dancefloor.</i>
<input type="checkbox"/> Bands	<i>Nothing fills the dancefloor like a live music.</i>
<input type="checkbox"/> Singers	<i>From singing live in the ceremony to providing background music during the reception.</i>
<input type="checkbox"/> Saxophonists	<i>Some gentle sax in the afternoon, to playing in the middle of the dancefloor at night; a saxophonist injects energy.</i>
<input type="checkbox"/> Pianists & live music	<i>Classically training pianists, soloist violinists, duets and quartets covering all styles of music enhance a drinks reception.</i>
<input type="checkbox"/> Photobooths	<i>Photobooths, Magic Mirrors, and even voice message telephones all bring fun to the party – but also create souvenirs to cherish.</i>
<input type="checkbox"/> Insurance	<i>Wedding and Event Insurance covers your costs in event of cancellation</i>

The following aren't wedding and event suppliers, but may still be useful

<input type="checkbox"/> Travel Agent	<i>Whether it's a quick 'stay-cation' to immediately after the wedding, or a once-in-a-lifetime experience, get your honeymoon sorted.</i>
<input type="checkbox"/> Fitness Coach	<i>Not only get a bit trimmer for the wedding photos (and honeymoon), but increase your fitness to see you through the day</i>
<input type="checkbox"/> Vocal Coach	<i>A session with a vocal coach can give you confidence for speeches.</i>
<input type="checkbox"/> Wills	<i>A bit random, but did you know that getting married invalidates an existing Will?</i>
<input type="checkbox"/> Financial Advice & Mortgages	<i>Weddings are expensive; but looking to the future you may be looking to buy a home, and need pension advice so you can grow old together.</i>
<input type="checkbox"/> Anything else...?	<i>After years of being self-employed I've also built up a network of website specialists, accountants, estate agents, and other business professionals. And if you need a handyman to fix a sink, well, I know one of those too!</i>

Either tick the boxed and email back if you want recommendations for multiple services, or just drop me an email listing who'd you like more information on. (robert@robertbone.co.uk). And if there's a category that isn't listed please let me know, because chances are 'I know a guy who does that'.
